

This complaint is regarding my poor wireless service with Metro-Pcs. My cellular #209-430-5700. I filed a insurance claim on my defective Nokia phone and have only receive from Assurian more defective or used replacement phones (4 replacements so far) Customer Service at both Metro-Pcs and Assurian seems to take care about this situtation. Plese contact me with any information that can help me with this matter. Cheryl Harris
